

1 & 2 -Overture / Opening Credits

Instrumental

3 - Going Through the Motions

BUFFY

Every single night
The same arrangement
I go out and fight the fight
Still, I always feel
This strange estrangement
Nothing here is real
Nothing here is right

I've been making shows
Of trading blows
Just hoping no one knows
That I've been going through the motions
Walking through the part
Nothing seems to penetrate my heart

I was always brave
And kind of righteous
Now I find I'm wavering
Crawl out of your grave
Ya find this fight just
Doesn't mean a thing

VAMP

She ain't got that swing

BUFFY

Thanks for noticing

VAMPS AND GOAT GUY

She does pretty well
With fiends from hell
But lately we can tell
That she's just going through the motions
(Going through the motions)
Faking it some how

GOAT GUY

She's not even half the girl she -- ow!

BUFFY

Will I stay this way forever?
Sleepwalk through my life's endeavor?

"HANDSOME" GUY

How can I repay --

BUFFY

Whatever.

I don't want to be
Going through the motions
Losing all my drive
I can't even see
If this is really me
And I just wanna be
Alive!

4 - I've Got A Theory

GILES

I've got a theory
That it's a demon
A dancing demon --
No, something isn't right there

WILLOW

I've got a theory
Some kid is dreamin'
And we're all stuck inside
His wacky Broadway nightmare

XANDER

I've got a theory
We should work this out

ANYA, GILES, WILLOW, AND XANDER

It's getting eerie
What's this cheery
Singing all about?

XANDER

It could be witches
Some evil witches!
Which is ridiculous
'Cause witches they were persecuted
Wicca good and love the earth
and woman power and I'll be over here

ANYA

I've got a theory
It could be bunnies!

TARA

I've got a theor --

ANYA

Bunnies aren't just cute
Like everybody supposes!
They've got them hoppy legs
And twitchy little noses!
And what's with all the carrots?
What do they need such
Good eyesight for anyway?

Bunnies!
Bunnies!
It must be bunnies!
...Or maybe midgets

WILLOW
I've got a theory
We should work this fast

WILLOW AND GILES
Because it clearly
Could get serious before it's passed

BUFFY
I've got a theory
It doesn't matter --
What can't we face
If we're together?
What's in this place
That we can't weather?
Apocalypse?
We've all been there
The same old trips
Why should we care?

BUFFY, ANYA, GILES, TARA, WILLOW, AND XANDER
What can't we do
If we get in it?
We'll work it through
Within a minute
We have to try
We'll pay the price
It's do or die

BUFFY
Hey, I've died twice

BUFFY, ANYA, TARA, WILLOW, XANDER AND (GILES)
What can't we face
If we're together?
(What can't we face?)
What's in this place
That we can't weather?
(If we're together)
There's nothing we can't face

ANYA
...Except for bunnies

5 - Mustard

MAN (David Fury)
They got the mustard out!

CHORUS

They got the mustard out!

6 – I'm Under Your Spell

TARA

I lived my life in shadow
Never the sun on my face
It didn't seem so sad, though
I figured that was my place
Now I'm bathed in light
Something just isn't right

I'm under your spell
How else could it be
Anyone would notice me?
It's magic, I can tell
How you've set me free
Brought me out so easily

I saw a world enchanted
Spirits and charms in the air
I always took for granted
I was the only one there
But your power shone
Brighter than any I've known

I'm under your spell
Nothing I can do
You just took my soul with you
You worked your charms so well
Finally, I knew
Everything I dreamed was true
You made me believe!

GIRLS

Ahhhh, ahhh, ahhh

TARA

The moon to the tide
I can feel you inside

I'm under your spell
Surging like the sea
Pulled to you so helplessly
I break with every swell
Lost in ecstasy
Spread beneath my willow tree
You make me complete!
You make me complete
You make me complete
You make me...

7 - I'll Never Tell

ANYA

This is the man
That I plan
To entangle
Isn't he fine?

My claim to fame
Was to maim
And to mangle
Vengeance was mine!

But I'm out of the biz
The name I made, I'll trade for his
The only trouble is --
I'll never tell

XANDER

She is the one
She's such won-
derful fun
Such passion and grace

Warm in the night
When I'm right
In her tight --
Embrace! Tight embrace!

I'll never let her go
The love we've known can only grow
There's just one thing that -- No.
I'll never tell

ANYA AND XANDER

'Cause there's nothing to tell

ANYA

He snores

XANDER

She wheezes

ANYA

Say "housework" and he freezes

XANDER

She eats these skeezy cheeses
That I can't describe

ANYA

I talk, he breezes

XANDER
She doesn't know what "please" is

ANYA
His penis got diseases
From a Chumash tribe!

ANYA AND XANDER
The vibe
Gets kind of scary

XANDER
Like she thinks I'm ordinary

ANYA
Like it's all just temporary

XANDER
Like her toes are kind of hairy

ANYA AND XANDER
But it's all very well
Cause, God knows, I'll never tell!

ANYA
When things get rough, he
Just hides behind his Buffy!
Now look, he's gettin' huffy
'Cause he knows that I know

XANDER
She clings, she's needy
She's also really greedy
She never --

ANYA
 His eyes are beady!

XANDER
This is my verse, hello?
She --

ANYA (spoken)
 Look at me! I'm dancing crazy!

ANYA AND XANDER
You know

XANDER
You're quite the charmer

ANYA
My knight in armor

XANDER

You're the cutest of the Scoobies
With your lips as red as rubies
And your firm, yet supple --
Tight embrace!

ANYA

He's swell

XANDER

She's sweller

ANYA

He'll always be my feller

XANDER

That's why I'll never tell her
That I'm petrified

ANYA

I've read this tale
There's wedding, then betrayal
I know there'll come the day I'll
Want to run and hide

ANYA AND XANDER

I lied
I said it's easy
I've tried
But there's these fears I can't quell

XANDER

Is she looking for a pot of gold?

ANYA

Will I look good when I've gotten old?

XANDER

Will our lives become too stressful
If I'm never that successful?

ANYA

When I get so worn and wrinkly
That I look like David Brinkley?

XANDER

Am I crazy?

ANYA

Am I dreamin'?

XANDER

Am I marrying a demon?

ANYA AND XANDER

We can really raise the beam in
Making marriage a hell!
So, thank God, I'll never tell!
I swear that I'll never tell

XANDER

My lips are sealed

ANYA

I take the Fifth

XANDER

Nothing to see
Move it along

ANYA AND XANDER

I'll never...tell!

8 - No Parking

WOMAN (Marti Noxon)

I've been having
A bad, bad day
C'mon won't you
Put that pad away?

I'm asking you -- please, no!
It isn't right, it isn't fair
There was no parking anywhere
I think that hydrant wasn't there

Why can't you let it go?
I think I've paid more than my share
I'm just a poor girl, don't you care?
Hey, I'm not wearing underwear...

9 - Rest in Peace

SPIKE

I died
So many years ago
But you can make me feel
Like it isn't so
And why you come to be with me
I think I finally know
Mmm, mmmm

You're scared
Ashamed of what you feel
And you can't tell the ones you love
You know they couldn't deal
Whisper in a dead man's ear
It doesn't make it real

That's great --
But I don't wanna play
'Cause being with you touches me
More than I can say
And since I'm only dead to you
I'm saying stay away
And let me rest in peace

Let me rest in peace
Let me get some sleep
Let me take my love and bury it
In a hole six foot deep
I can lay my body down
But I can't find my sweet release
So let me rest in peace

You know
You got a willing slave
And you just love to play the thought
That you might misbehave
But 'till you do, I'm telling you
Stop visiting my grave
And let me rest in peace

I know I should go
But I follow you
Like a man possessed
There's a traitor here
Beneath my breast
And it hurts me more
Than you've ever guessed
If my heart could beat
It would break my chest
But I can see
You're unimpressed
So leave me be

And let me rest in peace
Let me get some sleep
Let me take my love and bury it
In a hole six foot deep
I can lay my body down
But I can't find my sweet release
Let me rest in peace
Why won't you
Let me rest in peace?

10 - Dawn's Lament

DAWN
Does anybody even notice?
Does anybody even care?

11 - Sweet's Lair (Dawn's Ballet)

Instrumental

12 - Sweet's Song

SWEET

Why'd you run away?
Don't you like my style?
Why don't you come and play?
I guarantee a great big smile

I come from the imagination
And I'm here strictly by your invocation
So what do you say --
Why don't we dance awhile?

I'm the how to swing
I'm the twist and shout
When you gotta sing
When you gotta let it out

You call me and I come a-runnin'
I turn the music on, I bring the fun in
Now we're partying
That's what it's all about

'Cause I know, what you feel, girl
I know just what you feel, girl

DAWN (spoken)
So you're, like, a good demon?
Bringing the fun in?

SWEET

All these melodies
They go on too long
Then that energy
Starts to come on way too strong
All those hearts lay open
That must sting
Plus some customers
Just start combusting
That's the penalty
When life is but a song

You brought me down
And doomed this town
So when we blow this scene
Back we will go
To my kingdom below
And you will be my queen

'Cause I know what you feel, girl

DAWN
No, you see
You and me
Wouldn't be
Very regal

SWEET
I'll make it real, girl

DAWN
What I mean
I'm fifteen
So this queen
Thing's illegal

SWEET
I can bring whole
Cities to ruin
And still have time to
Get a soft-shoe in

DAWN
No, that's great
But I'm late
And I'd hate
To delay her

SWEET
Something's cooking
I'm at the griddle
I bought Nero
His very first fiddle

DAWN
She'll get pissed
If I'm missed
See, my sis-
ter's the Slayer...

SWEET (spoken)
The Slayer?

DAWN (spoken)
Eeee...yuh-huh.

SWEET (spoken)
Find her. Tell her...tell her everything.
Just get her here. I want to see the Slayer burn.

SWEET
Now we're partying
That's what it's all about

13 - Standing in the Way

GILES

You're not ready
For the world outside
You keep pretending
But you just can't hide
I know I said that I'd be
Standing by your side
But I...

Your path's unbeaten
And it's all uphill
And you can meet it
But you never will
And I'm the reason
That you're standing still
But I...

I wish I could say the right words
To lead you through this land
Wish I could play the father
And take you by the hand
Wish I could stay
But now I understand
I'm standing in the way

The cries around you
You don't hear at all
'Cause you know I'm here
To take that call
So you just lie there
When you should be standing tall
But I...

I wish I could lay your arms down
And let you rest at last
Wish I could slay your demons
But now that time has passed
Wish I could stay
Your stalwart, standing fast
But I'm standing in the way
I'm just standing in the way

14 - I'm Under Your Spell (Reprise) / Wish I Could Stay

TARA

I'm under your spell
God, how can this be?
Playing with my memory
You know I've been through hell
Willow, don't you see?
There'll be nothing left of me
You made me believe

GILES

Believe me,
I don't wanna go

GILES AND TARA

And it'll grieve me
'Cause I love you so
But we both know

GILES

Wish I could say
The right words
To lead you through this land
Wish I could play the father
And take you by the hand

TARA

Wish I could trust
That it was just this once
But I must do what I must
I can't adjust to this disgust
We're done and I just

GILES AND TARA

Wish I could stay
Wish I could stay
Wish I could stay
Wish I could stay

15 - Walk Through The Fire

BUFFY

I touch the fire and it freezes me
I look into it and it's black
Why can't I feel?
My skin should crack and peel
I want the fire back

Now through the smoke, she calls to me
To make my way across the flame
To save the day
Or maybe melt away
I guess it's all the same

So I will walk through the fire
'Cause where else can I turn?
I will walk through the fire
And let it --

SPIKE

The torch I bear is scorching me
Buffy's laughing, I've no doubt
I hope she fries
I'm free if that bitch dies!
I better help her out

SWEET

'Cause she is drawn to the fire
Some people never learn

SPIKE

She will never learn

SPIKE AND SWEET

And she will walk through the fire
And let it --

GILES

Will this do a thing to change her?
Am I leaving Dawn in danger?
Is my Slayer too far gone to care?

XANDER

What if Buffy can't defeat it?

ANYA

Beady Eyes is right! We're needed
Or we could just sit around and glare

ANYA, GILES, TARA, WILLOW, AND XANDER

We'll see it through
It's what we're always here to do
So we will walk through the fire

BUFFY AND (TARA)

So one by one, they turn from me
I guess my friends can't face the cold
(What can't we face)
But why I froze
Not one among them knows
(If we're together?)
And never can be told

ANYA

She came from the grave much graver

SPIKE

First, he'll kill her, then I'll save her

TARA

Everything is turning out so dark

BUFFY

Going through the motions

SPIKE

No, I'll save her, then I'll kill her!

WILLOW

I think this line's mostly filler

GILES

What's it going to take to strike a spark?

BUFFY

These endless days
Are finally ending in a blaze

SWEET

So one by one, they come to me

The distant redness as their guide

But what they find

Ain't what they had in mind

It's what they have inside

She will come to me!

BUFFY, ANYA, GILES, SPIKE, TARA, WILLOW, AND XANDER
And we are caught in the fire
The point of no return
So we will walk through the fire
And let it burn
Let it burn
Let it burn
Let it burn!

SWEET (spoken)
Showtime

16 - Life's A Show

BUFFY
Life's a show
And we all play our parts
And when the music starts
We open up our hearts

It's alright
If some things come out wrong
We'll sing a happy song
And you can sing along

Where's there's life, there's hope
Every day's a gift
Wishes can come true
Whistle while you work
So hard all day

To be like other girls
To fit in in this glittering world
Don't give me songs

GILES (spoken)
She needs backup.
Anya, Tara...

BUFFY
Don't give me songs
Give me something to sing about
I need something to sing about

ANYA AND TARA

Ahhhhh...
Ahhhhh...

Life's a song
You don't get to rehearse
And every single verse
Can make it that much worse

Still, my friends
Don't know why I ignore
The million things or more
I should be dancing for

All the joy life sends
Family and friends
All the twists and bends
Knowing that it ends
Well, that depends

On if they let you go
On if they know enough to know
That when you've bowed
You leave the crowd

There was no pain
No fear, no doubt
'Till they pulled me out
Of heaven

So that's my refrain
I live in hell
'Cause I've been expelled
From heaven
I think I was in heaven

So give me something to sing about
Please give me something --

SPIKE
Life's not a song
Life isn't bliss
Life is just this
It's living

You'll get along
The pain that you feel
You only can heal
By living

You have to go on living
So one of us is living

DAWN (spoken)
The hardest thing in this world is to live in it.

17 - Sweet's Song (Reprise)

SWEET
What a lot of fun
You guys have been real swell
And there's not a one
Who can say this ended well

All those secrets you've been concealing
Say you're happy now -- Once more, with feeling
Now I gotta run
See you all in hell!

18 - Where Do We Go From Here?

DAWN

Where do we go from here?

BUFFY AND SPIKE

Where do we go from here?

GILES

The battle's done

And we kind of won

GILES AND TARA

So we sound our victory cheer

Where do we go from here?

ANYA AND XANDER

Why is the path unclear

When we know home is near?

ANYA, BUFFY, DAWN, GILES, SPIKE, TARA, WILLOW, AND XANDER

Understand

We'll go hand in hand,

But we'll walk alone in fear

GILES

Tell me!

ANYA, BUFFY, DAWN, GILES, SPIKE, TARA, WILLOW, AND XANDER

Where do we go from here?

When does The End appear?

ANYA, BUFFY, DAWN, GILES, TARA, WILLOW, AND XANDER

When do the trumpets cheer?

ANYA, DAWN, GILES, TARA, WILLOW, AND XANDER

The curtains close

On a kiss, God knows

We can tell The End is near

Where do we go from here?

BUFFY

I touch the fire and it freezes me

I look into it and it's black

This isn't real

But I just want to feel

SPIKE

I died

So many years ago

You can make me

Feel

ANYA, DAWN, GILES, TARA, WILLOW, AND XANDER

Where do we go from here?

19 - End Credits

Instrumental

Grr, Arrgh.
